IMPORTANT: GPS Navigation Directions to Autobahn Have Not Been Reliable.

ALSO - Millsdale from 53 is for passenger cars. If you are pulling a trailer, big hauler, motorhome, semi etc. you should use 53 to Laraway to Centerpoint way south.

We recommend that you take 53 south to Millsdale and take a right on Millsdale to the Club. If you are coming from Interstate 55 you can exit at Arsenal Road, go East(right) on Arsenal to Baseline (stop light), go North(left) onto Baseline to Millsdale (stop sign), go East(right) on Millsdale until it winds around and becomes CenterPoint Way and then after going straight through the stop light take a left into our entrance.
